

Is Your Significant Other Cheating?

Many articles have been written that gives the warning signs of infidelity within a relationship. The truth is a person could be exhibiting all the signs of cheating and not be having an affair. On the other hand, your partner may be displaying none of the signs of an affair and be having an affair. All of the reading you may be doing and all the advice you may be receiving should not outweigh one important factor. **TRUST YOUR OWN INSTINCT**. When you are ready for answers to your questions, contact us and we will assist you on how to proceed with a private investigator.

We are investigative experts and below are some of the signs we have uncovered through investigative and personal experience.

YOUR PARTNER MAY BE:

1. Increasingly critical, angry and even at times cruel when questioned about their whereabouts and faithfulness.
2. Voicing issues of control; although they are the ones attempting to control.
3. Extra flirtatious with the opposite sex.
4. Obsessively private.
5. Inappropriately defensive; attempting to pick fights (especially prior to leaving out of the house)
6. Different in your sex life (less or more)
7. Emotionally distant
8. Hiding or unexplained expenditures
9. Suspicious with phone activity which includes texting
10. Showing high car mileage which is not consistent with claimed whereabouts
11. Wanting to know your schedule
12. Unavailable while at work
13. Ignoring phone calls or are not returning calls in a timely fashion
14. Increasing reasons to be away from home (business trips, outings with friends)
15. Spending time with friends that you have never heard of before or have never met
16. Changing grooming habits
17. Excessively spending time on the internet (will change screens or cut the computer off when your around)

This list is not exhaustive, but rather common signs of people who are cheating. **TRUST YOUR OWN INSTINCT**. Some people are gifted liars (a small percentage of the population) and do not always leave easily detectable signs. Contact [S1G Investigative Services](#) if you believe your significant other is cheating. Although we are among the best in the industry, we may not be able to find proof if it does not exist, too infrequent or just too well hidden.

Let us assist you to find peace of mind!

Call us S1G today at **866.765.5499** and we will give you an honest, trustworthy opinion on how to proceed.
